SUBJECT: INFORMATION ON COMPANIES HAVING DIFFICULTIES IN SUSTAINING ITS MANUFACTURING BUSINESS

Dear all,

MITI is currently collecting information on companies which are having difficulties in sustaining its manufacturing business in the country for our further action.

In such a case, they seek your kind assistance to provide the details of the companies (company name & nature of business) which are currently facing difficulties in sustaining its manufacturing business owing to the current situation, be it in Malaysia or globally.

They also appreciate if the reason for such condition is provided. Your assistance to provide these inputs by Wednesday, 28th October 2015 is highly appreciated. Kindly fill up the table below for this purpose and reply via email to info@smeam.org.

1. Company Name	:	
2. Nature of business	:	
3. Difficulties Faced	:	
4. Reason for Difficulties	:	
5. Proposal (If any)	:	
6. Comments (If any)	:	

Thank you.
