Conference Overview

The two-day event convened annually by the Malaysian Association of Professional Speakers (MAPS) will feature both local and international speakers delivering cutting-edge ideas in the area of Leadership & Organizational Management. It will serve as a platform to showcase potential talents and concepts that the industry may explore for organizational development initiatives. Promising to deliver premier learning of the current best practices and networking opportunities, the conference is expected to attract an estimated 200 or more attendees.

Who should attend?

Decision Making Corporate, SME or SMI Leaders & C-Suite Officers, Directors and Managers, Human Resource Practitioners, Learning & Development Practitioners, Coaches, Consultants, Facilitators, Professional Speakers & Trainers, Government Agencies, Training Providers, Speaker Bureaus & SME owners.

Speaker Topics

- * The Hero's Way - **Arthur F. Carmazzi**
- * The 7 Star Workplace: Creating a Culture to Turn Every Customer into a Fan - **Ruby Newell-Legner**
- * Global Leadership - The Next Generation - **Jonathan Low**
- * Don't be the Lid - The Art of Actualising Leadership - **M. Marzuki Mohamed**
- * Make Your Choice: More Profitability With More Engagement - **Paul Ter Wal**
- * The leadership greenhouse: a more productive way to grow thriving frontline leaders - **Karen Schmidt**
- * The Speaker Within - **Mike Blissett**

Exhibition of Showcase Speakers

24 speakers in two simultaneous parallel tracks of 20 minutes each will provide an opportunity for the participants to learn in an exciting manner from a 'potpourri' of topics on leadership. Corporate training assessors will also be able to evaluate speakers for competency to address the leadership needs of their organisation on topics of Service, Team, Sales, Transformation, Talent, and Performance.
